**A NEW COLLABORATION PROJECT WITH
THE HUMANITARIAN COALITION**

OTTAWA (ONTARIO) December 17, 2008 – The Canadian Translators, Terminologists and Interpreters Council (CTTIC) is pleased to announce a new collaboration with the HUMANITARIAN COALITION.

With the help of CTTIC, the HUMANITARIAN COALITION is seeking the highest quality of translation for its communications with the public. Through this collaboration, CTTIC is assisting the HUMANITARIAN COALITION in recruiting the help of highly qualified and motivated translators to assist with translation needs during humanitarian appeals.

The HUMANITARIAN COALITION coordinates effective and comprehensive Canadian emergency responses around the world. Life-saving assistance is provided to the most poor and vulnerable members of communities touched by disaster; notably women and children. The lives of thousands have been improved through the provision of necessities such as food, clean drinking water, blankets, clothing, and tents by the HUMANITARIAN COALITION.

The Canadian Translators, Terminologists and Interpreters Council brings together the organizations responsible for certifying professional translators, terminologists and interpreters in the provinces and territories. It coordinates the actions of its member organizations and promotes cooperation among them, ensures uniformity in professional standards, and maintains relations with national and international bodies representing language specialists. Through its member organizations, CTTIC seeks to promote professional certification as a guarantee of quality and competence, thereby contributing to the advancement of the profession and the protection of the public.
