**COLLABORATION PROJECT WITH
THE HUMANITARIAN COALITION**

OTTAWA (ONTARIO) March 31, 2009 – The Canadian Translators, Terminologists and Interpreters Council (CTTIC) is pleased to announce that the recruitment campaign with the HUMANITARIAN COALITION has been an enormous success, exceeding all expectations. While the recruitment campaign has now come to a conclusion, CTTIC will continue to support the efforts of this great organization.

With the help of CTTIC, the HUMANITARIAN COALITION is seeking the highest quality of translation for its communications with the public. Through this collaboration, CTTIC has been assisting the HUMANITARIAN COALITION in recruiting the help of highly qualified and motivated translators to assist with translation needs during humanitarian appeals.

We wish to thank all translators who came forward during this recruiting campaign. We are sure that this collaboration effort will prove successful for all parties concerned.

The Canadian Translators, Terminologists and Interpreters Council brings together the organizations responsible for certifying professional translators, terminologists and interpreters in the provinces and territories. It coordinates the actions of its member organizations and promotes cooperation among them, ensures uniformity in professional standards, and maintains relations with national and international bodies representing language specialists. Through its member organizations, CTTIC seeks to promote professional certification as a guarantee of quality and competence, thereby contributing to the advancement of the profession and the protection of the public.
